

**Call for Interactive Poster Presentations**  
**iMAPS New England – 45<sup>th</sup> Symposium & Expo**  
**May 1, 2018**  
***“Into the Future Autonomously”***

**Boxboro Regency Hotel & Conference Center, Boxborough, Massachusetts**  
**The Largest Regional Symposium Dedicated to**  
**Microelectronics, Assembly and Packaging**

**Poster Session Co-Chair Team**

**Dipak Sengupta, Analog Devices (ret.), Harvey Smith, EMA & Dave Saums, DS&A**

**Present your novel concept, development or work-in-progress to 400 industry & academic professionals representing a wide range of companies and technologies. We're soliciting Interactive Poster Presentations on a wide range of technologies and disciplines related to microelectronic and/or semiconductor topics such as materials, processes, mechanical, chemical, analysis, metrology, and applications. Spend 90 minutes in face-to-face discussions-Q&A with interested attendees from the national/international microelectronics community.**

**Our Symposium consists of 6 Lecture Sessions featuring 30-35 Oral Presentations. We will accept a maximum of 16 Interactive Posters, to be displayed from 9:00 AM-3:30 PM on 3' x 4' tack boards (provided) in the Epicenter of our Exhibition Hall (55 Booths). No formal paper is needed, but one person knowledgeable on the topic must be present from 2:00 PM-3:30 PM to explain the work and answer questions. In addition, we encourage audiences to leave notes or business cards by the poster to contact the author. One presenter per poster will receive a discounted Full Symposium Registration, allowing full access to Symposium, Speakers Breakfast, Exhibits, and Luncheon.**

- Medical Device Packaging
- RF & Microwave Technologies
- Wire & Die Bonding, Flip Chip, Bumping, TSV
- SMT & Electronics Assembly-Packaging
- Thermal Materials, Designs Analysis
- High Temperature Environments
- MEMS Sensors & Nano-Opto Technology
- Advanced Device Packaging
- Printed Electronics - Additive Manufacturing
- New & Emerging Materials-Technologies

**Please e-mail your 50-100 word abstract to **Lee Levine, PSC** - [levilr@ptd.net](mailto:levilr@ptd.net)**

**Deadline is April 10, 2018**

**[Peruse the Preliminary Symposium Program](#)**
